

# ODELL'S MASTERY IS COMPLETE, BUT WOODRUFF FIGHTS

## Kings County Delegation Offers Resolution Calling for a Roll Call of Individuals When Nomination for Governor Comes Up at Saratoga Convention.

## Adjournment Until 11 A. M. To-Morrow Taken After Temporary Chairman Fassett's Speech—Machine Putting on the Screws to Force Through the Slate

(By Martin Green.)

SARATOGA, N. Y., Sept. 14.—Gov. Odell's large troupe of trained delegates performed in Convention Hall for two hours to-day, showing organization almost perfect. The rebellious delegates who are prepared to do stunts at the behest of Timothy Woodruff were extremely quiet, taking the places assigned them without a question, and jumping through the hoops and over the banners with rare agility.

The only discordant note was struck by Silas Dutcher, a reconcentrated from Kings. Instead of keeping his place in the grand march he ran out of line with a resolution calling for a roll call of the convention by individual delegates instead of by counties when the time comes for a vote on the candidates.

This resolution is backed by the Woodruff forces. The purpose of it is to put every delegate on record for either Higgins or Woodruff. The Woodruff managers say that they have delegates from all over the State who have pledged their support and they want to find out if the goods are to be delivered.

Woodruff will stick. Mr. Woodruff has determined to stick. He will allow his name to go before the convention unless he is pulled off by the machine managers between now and to-morrow morning at 11 o'clock, when the real work of the convention will begin. Word has reached the Woodruff headquarters that the machine is putting on the screws. A New York County delegate who holds a State job was informed to-day that if he voted for Woodruff he would lose his position. Immediately after the convention adjourned this afternoon the Woodruff

forces got busy trying to land delegates. The burden of their argument was that if Higgins is nominated he will go before the people of the State as Odell's man.

The proceedings during the short session this morning showed that the machinery is well oiled. Gov. Odell had picked out all his committees, the lists were given to J. Most Fassett, the temporary chairman, who read them off. Odell men predominated on all the committees and Mr. Fassett made no pretense of hiding the fact

SIXTH RACE—Sir Brillar (8 to 5), 1, Santa Catalina (9 to 2), 2, Sauterberry 3.

(Special to The Evening World.)  
BRIGHTON BEACH RACE TRACK, Sept. 14.—Though the Produce Stakes was worth \$7,500 to the placed fillies in it, there was practically no interest in the event. Mr. Durvea started Princess Rupert and Rose of Dawn and coupled in the betting they were at 2 to 3. This was a prohibitive price, and there was no speculation. The pair of fillies out-classed their company and raced one by half a length eased up. The Rose of Dawn was just as easy second. Raiment, the favorite for third money, finished in that position, easily.

The track was a bit greasy from the rain, though the time was fast. Favorites forced well except in the third race, where Eagle, heavily backed, ran a bad race. This looked a case of the favorites, for Little Em's second to Mabel Richardson seemed to make her the best. She opened at 3 to 1 and went to 7 to 1, and she came home on the bit in spite of her neglect in the ring. Paulaker won the Steeplechase easily and the Lady Roheasia beat home in the opening event. The attendance was fair.

**Favorite's Easy Race.**  
The Lady Roheasia was the choice in the opening event, and she came home on the bit. Glad Smile raced away in front, and made the running, followed by Fiddle, Cascade and The Lady Roheasia in a close bunch. They ran this way to the stretch, where The Lady Roheasia went to the front and breeched home an easy winner by eighth lengths from Cascade, who was one and a half lengths in front of Bob Murphy.

**Paulaker Only Galloped.**  
Paulaker, a hot favorite in the Steeplechase, went to the front at the start, made all the running and won easily by a clear length. The Lady Roheasia went to the front and breeched home an easy winner by eighth lengths from Cascade, who was one and a half lengths in front of Bob Murphy.

**Good Thing Was Bitten.**  
Eagle was heavily played in the third race, backed from 2 to 1 to almost even money, where he ran nowhere near his form, probably on account of the greasy track. Stevedore and Gansel, raced close together to the far turn, with Eagle and Little Em close behind. On the far turn Little Em raced to the front, and drawing away, took a clear lead of several lengths. She was eased in the last sixteenth, winning by three-quarters of a length from Jane Holly, who closed strong and beat Garnish three-quarters of a length.

**Stable Run One Two.**  
Princess Rupert and Rose of Dawn coupled in the straight betting were prohibitive favorites, and they ran first and second all the way. Princess Rupert made the running, while Rose of Dawn was second, and they ran this way to the finish, the Princess winning by half a length, while Rose of Dawn was a length in front of Raiment.

**Sonoma Belle in a Drive.**  
Councilman and Cincinnati raced to the front and made the pace to the stretch, followed by Eagle and The Lady Roheasia. Councilman was the favorite out at the head of the stretch, and Cincinnati went to the front. In the run home Sonoma Belle closed strong and outgassed Cincinnati, winning by a length. Cincinnati was four lengths in front of Councilman.

**Sir Brillar Wins.**  
Sir Brillar raced to the front soon after the start, and soon pulling up he left lengths from Santa Catalina, who beat Sauterberry three lengths for the place.

**EASTERN LEAGUE.**  
Rain prevented the games scheduled in the Eastern League to-day. The Montreal vs. Toronto game at Montreal, called, but was called at the end of the first inning, neither side scoring.

**Attractive Autumn Outings.**  
To-day is a beautiful day for a drive. Every Saturday during September, State cars round up transportation and two days' drive are made for the benefit of the Automobile Association. The cars are free of charge to hotel selected. See ticket agents.
